

## DROdio GPS Unit Loaner Agreement

We're happy to provide you with a free GPS machine to facilitate your home search, subject to these simple rules:

- 1) We require a credit card number. If the unit is lost, stolen or damaged, we will charge the card for \$800.
- 2) The unit is lent out for a three-day period. Remember, there are probably people waiting after you to use the unit. If the unit is not returned to our office by the required return time, we will charge your credit card \$25/day until the unit is returned.
- 3) Please be kind and recharge the unit when you are finished using it. Nobody wants to receive a unit with a dead battery!

Again, these rules follow the simple "do as you would like to have done to you" rule of life!

Unit ID #: \_\_\_\_\_

Check-Out Date: \_\_\_\_ / \_\_\_\_ / \_\_\_\_

Name: \_\_\_\_\_

Phone: \_\_\_\_\_

Email: \_\_\_\_\_

DROdio Real Estate Agent: \_\_\_\_\_

The required return date is by 6 pm three days after the check out date. For example, if the unit is checked out on Friday, 1/1/06, it is due back by 6 pm Monday, 1/4/06.

**I understand that my credit card will be charged the full \$800 if the unit is lost, stolen, or damaged in any way. I also understand that I will be required to pay \$25/day if I do not return the unit by the required return date.**
